Once signing a contract, a $200.00 deposit is required to confirm and secure your roster spot with the Wisconsin Twisters. This 1st $200.00 deposit will go towards player fees for the following season. A 2nd deposit is due at the player/parent meeting in the fall of each year. All paperwork will be distributed by Twister coach/Parent Representative and or at our Annual Player/Parent Meeting. We are a ***volunteer organization*** that offsets fees with volunteer hours to keep player fees down. Each player is required to volunteer 10 hours to defer this cost. A volunteer hours fee of $200.00 is held for each player until all volunteer hours by end of season are completed. Please postmark checks to Wisconsin Twisters Volunteer Hours for July 22, 2025. *As we do encourage volunteer hours in lieu of any dollar amount...we do offer a 200.00 buyout if you do not have any desire to volunteer or have the time.

- ☐ **I am committing to 10 hours of volunteer**
- ☐ **I am opting to buy out of my volunteer hours and cash my $200 check.**
